

I CAN DO IT
Positive, Fun, Self-esteem Songs For KIDZ

This CD is a must for all parents and teachers who desire for their children to grow up with an attitude of joy and love, and with a great positive I CAN attitude. It is filled with amazing positive, fun songs for KIDZ from newborns 0 - 9. Why from newborns? This is because babies begin to take in ALL thoughts immediately, as soon as they are born. They are WIDE open to all that we say and all that they hear, and then these things become their belief systems as adults.

What we feed our children's minds creates WHO they will be as adults. It is OUR responsibility to help children grow up without all of the hangs ups and negativity we have all had to work so hard to release as adults. Michele Blood has also been wise enough to go a step further and have beautiful little animals speak before each song and educate the KIDZ a bit more about our beautiful animals from all over the world.

There is Joey the baby Kangaroo from Australia, Little Lee the baby Panda from China, beautiful Carlos the baby Coqui Frog from Puerto Rico, Mr. Purr the baby Bengal Tiger from India, Goldie the baby Dove of Love, and many other wonderful baby animals that will be talking to the children and giving them uplifting and fun self-esteem messages to introduce each wonderful song.

Track 3: I CAN DO IT

© Michele and Joey the Baby Kangaroo from Australia

I can be a dancer
I can be a star
Anything we dream of
Is really who we are

Chorus: Because I can do it
and you can do it
Love life and be free
Oh, I can do it
and you can do it
Be all that we can be

Thoughts that I am thinking
are filled with lots of love
And bring us little children
the good from up above

Chorus Repeat

Joey Rap: Think of what can be done
Instead of what has been
The universe is calling us
to live out every dream
Begin today to change our thoughts
Change our thoughts with love
Thoughts of who we really are
because you know what
We can do it
I can do anything I want to do
and so can you boys and girls

Spoken:
I can do it (2 times)
You can do it (2 times)
Live life and be free (2 times)

Chorus (2 times)
